

Kaufman High School Jubilee 2025

We look forward to seeing you at Jubilee 2025 on September 20th. Using social media for information & buying tickets for our Jubilee lunch has reduced expenses and allows the Ex-Students Association to

continue giving two Scholarships each year. We gave two \$500 scholarships yearly for nearly 40 years and have now increased it to two \$1,000 scholarships per year giving an overall total of about \$40,000 in scholarships from the Ex-Students Association since 1986.

Registration is simplified this year with one price of \$25 per plate for lunch. This covers the catering and other Jubilee expenses. Also, please go to the KHS Website to verify your information and that of other friends and classmates. This helps correct the information shown on:

KHSjubilee.org and/or KHSjubilee.com
